BALTIMORE, MD – Coyle Studios LLC is proud to announce their recent Minority Business Enterprise (MBE), Disadvantage Business Enterprise (DBE), and Small Business Enterprise (SBE) Certification awarded by the Maryland Department of Transportation (MDOT). After completing, meeting, and passing the review and rigorous requirements to mitigate fraud in the MBE certification process, this certification award demonstrates that Coyle Studios meets the requirements to do business with large corporations and local, state, and federal government departments as a minority business entity.

Coyle Studios is MBE/DBE/SBE certified in the following areas of expertise:

- Art Dealers (NAICS code 453920)
- All Other Miscellaneous Store Retailers (Except Tobacco Stores) (Specifically: Antique and Custom Photo/Art Frames) (NAICS code 453998)
- Photography Studios, Portrait (NAICS code 541921)
- Commercial Photography (NAICS code 541922)
- Independent Artists, Writers, and Performers (NAICS code 711510)
- Photofinishing Laboratories (Except One-Hour) (NAICS code 812921)

According to MDOT, MBE/SBE/DBE certified companies are eligible to fulfill minority business participation goals on contracts issued by the state of Maryland and are listed in the directory of certified MBE/DBE/SBE firms.

“We are thrilled to have achieved this certification,” said Mary Lou Coyle, President of Coyle Studios. “Our studio has been a woman owned business since opening its doors in 1997, and it is exciting to have the official MBE/DBE/SBE certification behind our name. Being recognized as a minority business entity will allow Coyle Studios to grow in more ways than one.”
